Help

Dear Fellow Learners,

As you begin your CornellX course “The Computing Technology Inside Your Smartphone”, we would like to offer you the opportunity to share your thoughts in our brief (6 item) pre-survey. Your answers to this, and a survey at the end of the course, will help us learn more about you and how we can improve the course in the future.

If the link does not open a new window or tab, you can copy and paste the link below into a new browser window or tab.

We very much appreciate your time and insights,

The CornellX Team

EdX offers interactive online classes and MOOCs from the world's best universities. Online courses from MITx, HarvardX, BerkeleyX, UTx and many other universities. Topics include biology, business, chemistry, computer science, economics, finance, electronics, engineering, food and nutrition, history, humanities, law, literature, math, medicine, music, philosophy, physics, science, statistics and more. EdX is a non-profit online initiative created by founding partners Harvard and MIT.
